ORALLY DISINTEGRATING TABLET AND FILM TECHNOLOGIES, 6TH EDITION

Technologies, Market Analysis, & Business Opportunities

[TABLE OF CONTENTS](#)

PREPARED BY:
TECHNOLOGY CATALYSTS INTERNATIONAL

SEPTEMBER 2010

Copyright© 2010 Technology Catalysts International Corporation

Table of Contents

EXECUTIVE SUMMARY

CHAPTER I: ORALLY DISINTEGRATING TABLET TECHNOLOGY OVERVIEW

Lyophilization

Spray-drying

Floss Process

Direct Compression

Figure 1: Example Manufacturing Process for Direct Compression ODT

Use of Excipients for ODTs

Table 1: Superdisintegrants for ODTs

Summary

CHAPTER II: STATE OF THE ODT BUSINESS

Figure 2: Total Number of Commercial ODT APIs and Products by Region

New USA ODTs

Table 2: US ODT Recent Launches (2008-10)

New ODTs in EU and Japan

Table 3: Japan ODT Recent Launches (2008-9)

Table 4: European ODT Recent Launches (2008-9)

US Regulatory Update

Advancements in ODTs

CHAPTER III: MARKET ANALYSIS – ODT PHARMACEUTICALS

Current Worldwide Market for ODTs

Figure 3: ODT Market Sales Growth, 2003-2009

Table 5: Leading Rx ODT Products in US/EU/JP (\$ Sales)

Figure 4: ODT Unit Sales, 2005-2009

Regional ODT Sales

Figure 5: Recent ODT Regional Market Share Comparison (\$ Sales), 2008-9

Figure 6: Five Year ODT Regional Market Shift (\$ Sales), 2005-9

A Closer Look at the US ODT Market

Table 6: Leading ODT Products in the USA, 2009 Sales

Table 7: USA ODT Market Revenue Growth (\$ millions)

Table 8: USA ODT Market Unit Growth (# millions)

ODT Sales by Therapeutic Area

Figure 7: ODT Market by Therapeutic Category, 2009

ODT Market Forecast

Table 9: Generic Erosion Potential for ODT Products in the US

CHAPTER IV: ODT GENERICS

Suitability Petitions and ODTs

Table 10: Non-Pending FDA Suitability Petitions for ODT Tablets

Table 11: Pending FDA Suitability Petitions for ODT Tablets

USA Authorized Generic ODT Products

Table 12: Authorized Generic ODTs in the USA

Generic ODT Competition to Immediate Release Brands Continues in US

US ODT Brand Revenue Erosion by Generics

Table 13: Recent Examples of Brand ODT Erosion by Gx in USA

Generic ODT Competition in Japan

Table 14: ODT Generics and Their Brand Sales in Japan

CHAPTER V: ORAL THIN FILM TECHNOLOGY OVERVIEW

Principal Film Formers for Formulation Design

Table 15: Oral Dissolving Times for Film-forming Polymers

Figure 8: Stability of Film-forming Polymers

Film Formation

Figure 9: Diagram of Basic Hot-Melt Extruder

Figure 10: Oral Thin Film Solvent Casting Diagram

OTF Converting and Packaging

Figure 11: Example of Siebler HM2/500 OTF Converting Solution

Figure 12: Example of RapidCard OTF Pouching Solution

DDS Leaders

CHAPTER VI: STATE OF THE ORAL THIN FILM BUSINESS

Figure 13: Oral Thin Film Commercialization Rate (2003-2009)

Table 16: OTF Products with OTC Pharmaceutical APIs in USA and/or Europe

Table 17: Launched OTF Nutraceutical/Vitamin Products in North America

Asian OTFs

Table 18: Previously Commercialized Japanese Breath-freshening OTFs

Table 19: Asian-Based Oral Thin Film Nutraceutical/Vitamin Products

Prescription OTFs Begin to Materialize

Table 20: Approved Oral Thin Film Rx Pharmaceutical Products

CHAPTER VII: MARKET ANALYSIS – ORAL THIN FILM PHARMACEUTICALS

Past and Present Market for Oral Thin Films

Figure 14: US OTF Sales 2007-2009

One Reason for Decline

Figure 15: Triaminic OTF and Triaminic ODT US 2004-6 Sales Comparison

Figure 16: Triaminic OTF and Triaminic ODT US 2007-9 Sales Comparison

FDA Actions

Other Factors for the OTF Decline

Recent OTF Pipeline Developments

Table 21: Prescription ANDA Suitability Petitions Filed by MonoSol Rx

Future OTF Product Potential

Table 22: Oral Thin Film Pipeline

Vaccine OTF Potential

Oral Thin Film Forecast

CHAPTER VIII: ALTERNATIVE APPLICATIONS FOR THIN FILMS

Non-pharmaceutical Oral Thin Films

Food Industry and Sensation Enhancement Applications

Non-oral Pharmaceutical and Medical Device Thin Films

Personal Care, Home and Professional Cleaning

CHAPTER IX: TASTE MASKING OF ORALLY DISINTEGRATING PRODUCTS

Real World Example

The Science of Taste Masking

Table 23: Comparison of Example Taste Masking Technologies

Drug Particle Coating and Microencapsulation

Drug-Resin Complexes
Formation of Salts or Derivatives
Other Complexation and Bitterness Inhibition Techniques
Figure 17: Bitter Blocking Via Taste Transduction
Conclusion

CHAPTER X: TECHNOLOGY PROFILES

1. Orally Disintegrating Tablet Technologies

45 ODT technologies and platforms are profiled

2. Oral Thin Film Technologies

45 Oral Thin Film formulation and manufacturing technologies are profiled

3. Tastemasking Technologies

26 Tastemasking technologies applicable to ODTs/OTFs are profiled

4. Excipient Technologies

17 Excipient platforms for fast-dissolving products are profiled

APPENDIX A: ODT PRODUCTS AND THEIR BRANDS

APPENDIX B: FDA INDUSTRY GUIDANCE FOR ODTs

Total report length ~540 pages

 Facsimile: (703) 237-0042

Report/Database Order Form

Please check the box of the report(s) that you are interested in ordering from TCI. Please fill in the required fields electronically and fax order form to (703) 237-0042 or e-mail to pdeeds@technology-catalysts.com. Note: All prices are U.S. dollars

Quantity		Report Title	Cost
Online version*	PDF version		
		Novel Drug Delivery Systems Series Package – January 2010 == All six 28 th Edition reports & two online databases ==	\$25,000
		Oral Drug Delivery Systems and Materials - 28th Edition <i>(print version published 1/2010)</i>	\$5,950
		Parenteral & Implant Drug Delivery Systems - 28th Edition <i>(printed version published 1/2010)</i>	\$5,950
		Transdermal & Topical Drug Delivery - 28th Edition <i>(print version published 1/2010)</i>	\$3,950
		Transmucosal Drug Delivery - 28th Edition <i>(print version published 1/2010)</i>	\$1,950
		Inhalation & Nasal Drug Delivery - 28th Edition <i>(print version published 1/2010)</i>	\$3,950
		Delivery of Proteins & Peptides - 28th Edition <i>(print version published 1/2010)</i>	\$5,950
	N/A	Drug Delivery Pipelines Online <i>(only accessible via internet)</i>	\$4,950
	N/A	Drug Delivery Deals Online <i>(only accessible via internet)</i>	\$1,950

*NDDS Online version is accessed via the internet and updated on a continual year-round

Quantity		Report Title	Cost
PDF	Printed		
		Cancer Vaccines: Pipelines & Development <i>(published 10/2010)</i>	\$3,950
		Orally Disintegrating Tablet and Film Technologies - 6th Edition <i>(published 9/2010)</i>	\$4,950
		Parenteral Depot Technologies <i>(published 9/2010)</i>	\$1,950
		Strategies for Bioavailability Enhancement of Poorly Soluble or Permeable Drugs - 6th Edition <i>(published 1/2007 – discounted 50%)</i>	\$2,475
		RNAi and Antisense Therapeutics <i>(published 10/2008 – discounted 50%)</i>	\$2,475
		Active Skin Care, Delivery Systems for OTC and Cosmetics <i>(published 9/2004 – discounted 50%)</i>	\$1,975

- Site license fee (more than 5 users).....\$2,000 (NDDS Online package is \$10,000 per 5 additional users)
- Extra copies of any printed report.....\$500
- Previous editions of above reports are available for purchase at 50% discount; please contact TCI

We agree to limit the circulation of this report to employees of our corporation or subsidiaries and joint ventures in which our corporation holds at least a 75 percent interest.

Report/Database Order Form

Please fill in the required fields electronically and fax order form to (703) 237-0042 or e-mail to pdeeds@technology-catalysts.com.

Please fill in the following (please print or type clearly):

Name: _____

Title: _____

Company: _____

Address: _____

Telephone: _____ Fax: _____

E-mail: _____

Signature: *Not necessary if form is sent via email* Date: _____

There are three easy ways to pay – please check form of payment:

1. Credit Card

2. Check

3. Wire Transfer

1. Please charge credit card:

MASTERCARD

VISA

AMEX

Name on card (if different from above): _____

Card #: _____ Expiration Date (MM/YYYY): _____

Security Code (3 or 4 digit #): _____ Total Amount Due (US\$): _____

2. Please send your check to:

Technology Catalysts International
605 Park Ave
Falls Church, VA 22046
USA

3. Wire Transfer Information:

Please contact TCI directly for account information
